

Greetings,

We are looking forward to re-opening our doors to students and staff. We thank you for understanding some new policies that will be put into place to keep everyone safe.

For students:

- Masks are required. We will have masks available for purchase for \$2.00 (cash only) if you do not have one.
- We will have a COVID screening station set up at the entrance.
- Due to safety constraints, we will no longer be providing the following items and ask that you make your own arrangements:
 - Refrigerator
 - Microwave
 - Pop machine
 - Snacks
 - Coffee/Tea/Water
 - Pen/pencil
- To help keep you safe, we will provide:
 - Gloves
 - Sanitizing foam
 - Sanitized classrooms, breakout rooms and equipment
- We have our classrooms set up for a maximum of 12 students. Please select a seat and do not re-locate your chair. The seating positions have been planned to allow for as much space as possible between students.
- If you are a nursing mother and need to pump during the day, we will provide you with a sanitized space to do so. Please bring a cooler bag to store milk.

Thank you for taking the time to read our new policies.

Please reach out to 651-254-7788 or RegionsEMSEducation@HealthPartners.com with any questions.

Thank you,

Regions EMS Education staff
